Dear Lederhings:

I am back in New York and at home,  
and this is proper time to thank you both for  
the kind and warm-hearted reception, as well  
as for the interesting discussions of problems  
scientific and otherwise, which you gave me at  
Stanford. Let me hope that I may have  
an opportunity to see you in New York at  
a future not too distant!

Cordell,  
Dohy
